

Agrident

Trader | Food- & Feed Ingredients | Asia

Agrident is based in The Netherlands, Europe. We are a global supplier of ingredients for the food-, feed- and manufacturing industry. Agrident offers a wide range of ingredients in more than 80 countries worldwide. We market starches, sweeteners and proteins under our private label 'De Tulpen'. Our global footprint, long-term partnerships, extensive market knowledge, logistics expertise and high quality standards enable us to be a competitive partner in a very dynamic and continuously changing market environment.

We are looking for an experienced trader to expand our trading activities in Asia. In this role you will be end responsible for all trading activities, logistics performance and financial results within your geographical area and customer portfolio. You will maintain and expand existing business relationships, establish long-term partnerships and develop commercial strategies to succeed in international trade.

Responsibilities and objectives:

- Responsible for the commercial results of all trading activities in Asia
- Manage the sourcing and sales of food- & feed ingredients within your geographical area
- Ensure a smooth execution of logistics in cooperation with the Operations department
- Responsible for optimal customer satisfaction and for establishing long term partnerships
- Keep track of the international market developments and actively seek new trade opportunities
- Keep track of the financial results and responsible for corrective action plans in case required
- Manage and assess price-, currency- and legal risks

For this challenging role you are required to have:

- Bachelor level or higher
- 3-5 years of experience in a comparable function
- Proficient in Dutch & English; knowledge of Mandarin is a plus
- Team player with excellent interpersonal skills
- Strong written- and verbal skills
- Strong ability to prioritize, stress resistant, flexible and decisive
- Excellent analytical and problem solving skills
- Good financial and business awareness

The conditions of employment we offer:

- An exciting and challenging role in a rapidly growing international company
- A fulltime position (40 hours)
- Good working conditions in a pleasant and dynamic work environment
- An informal and professional company culture
- A good remuneration package

Interested? Please send us your cover letter and CV to info@agrident.nl
